Notes:

1. Details of the first dive start times and other arrangements for each diving week a few days beforehand on the clubs website and/or forwarded by text to every member.
2. Details on this dive programme are subject to change due to factors such as unfavourable conditions, fundraising, safety cover activities etc. Any changes such as cancellations of weekends or the selection of an alternative dive weekend will be posted as soon as possible beforehand on the clubs website and/or notified by text to every member.
3. The success of this dive programme depends on every member giving a helping hand. The assistance of club members would very much be appreciated in terms of driving the compressor duties, carrying out the role of Assistant DOD's etc
